

Thank you for your interest in The Golf Club at Lansdowne for your upcoming golf event. We are delighted to earn your consideration as host for this important event and look forward to The Golf Club at Lansdowne's staff and facilities playing an integral role in its success.

At Lansdowne Golf Club, we know how to make your tournament or outing an unparalleled success! Our talented staff is highly experienced in planning and running memorable events and will take care of all the details so you can relax and enjoy your game. From pairing players and putting together prize packages to orchestrating superb banquets, at The Golf Club at Lansdowne it's our business to make sure your event is a pleasure for everyone involved.

The Golf Club at Lansdowne boasts the most complete combination of golf facilities anywhere in the Mid-Atlantic region. Thirty-six of the region's finest fairways are now within your reach, including The RTJ II Course and The Norman Course. The superb environment of our RTJ II Course showcases the master touch of golf course designer Robert Trent Jones, Jr. With views of the Virginia countryside, this unrivalled 18-hole layout incorporates fields, woodlands, natural stone outcroppings and centuries' old rock walls. While friendly, the strategic layout will test the skills of both the accomplished and novice golfer. This par-72, 7,063-yard classic promises a memorable round every time.

Designed by the legendary Greg Norman, our new Norman Course presents golfers with a stunning setting for a championship game. The design incorporates the natural undulations of the Potomac River Valley, using Norman's "Least Disturbance Approach." The front nine runs east along the Potomac River, while the back nine comes west along the river towards Goose Creek. The last four holes measure exactly 1,760 yards - equal to one mile - creating, according to Norman, "the hardest mile in golf." The course is enjoyable for players of varied skill levels, with multiple sets of tees so as not to overwhelm the everyday golfer.

The new 45,000-square-foot clubhouse offers a sophisticated haven for hosting a special meeting or social gathering. The clubhouse evokes the feel of a comfortable country estate via stone gables, antique brick walls and copper accent roofs. Inside, rich wood paneling, exposed ceiling beams and three fireplaces envelop you in luxury. Our stunning wrap-around outdoor dining terrace frames a wonderful view of the course below. The elegant 4,200-square foot clubhouse ballroom is the perfect place for private functions, with captivating views of the Virginia countryside. The clubhouse is an elegant complement to our spectacular golf courses.
